

Hanging on for Dear Life

**ADJUSTABLE
HANGER**

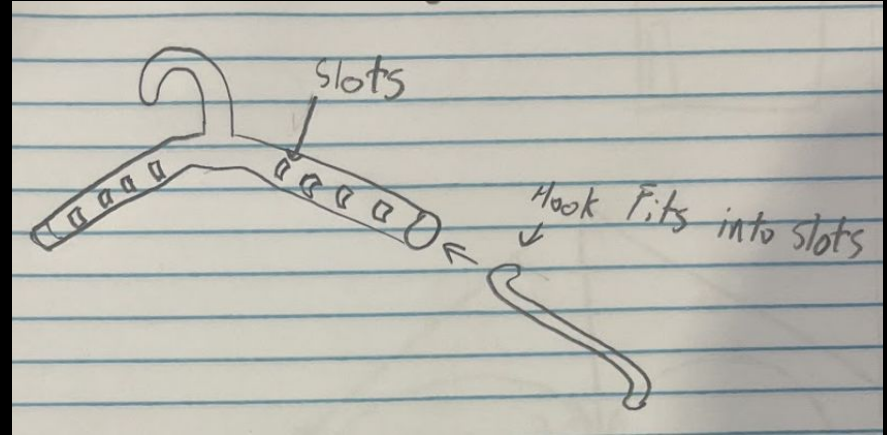

Problem Statement & Motivation

- Target audience
 - People looking for customizable closet solutions
- Problem:
 - Limited storage space
 - Organization
 - Large range of clothing types
 - Delicacy
 - Necklines

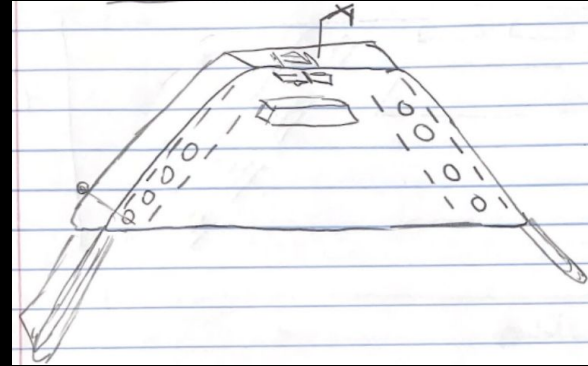

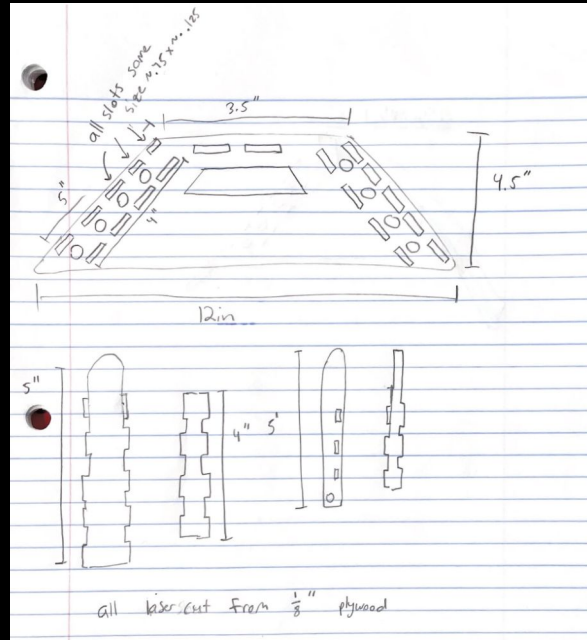

Origin

- "...My sweaters often get stretched out right around the shoulder"
- "...I simple don't have the space to hang all of my clothing within a small closet"

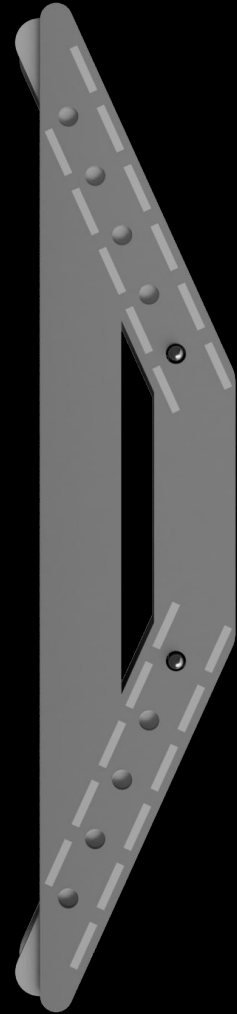

Next Gen

- More durable
- Increased extension
- Wider applications

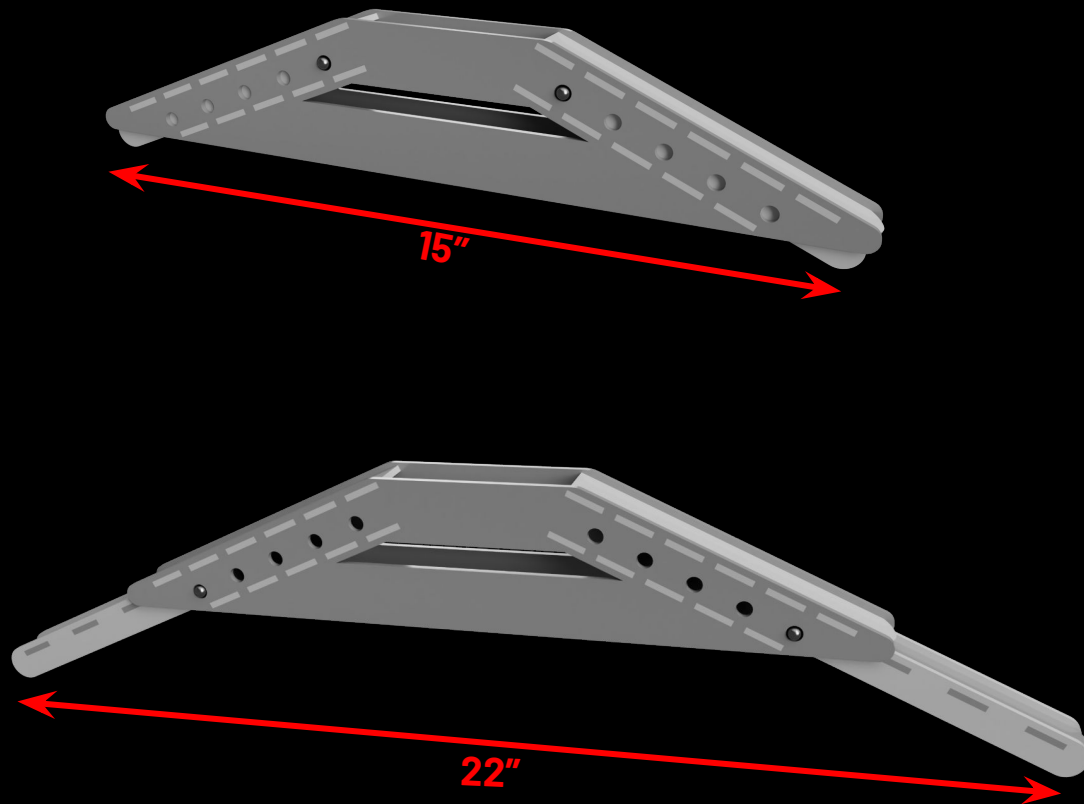

The Adjustable Hanger

- Improved sliding mechanism
- Redesigned hook
- Simplified production

Hanger mechanism in action

Advantages

- No direct competitors
 - Nearest product has less functionality and high price
- Low manufacturing cost/complexity
- Wide application
 - Save space
 - Prevent clothing creasing/stretch

Thank You.
